

Dear Parents,

The Scorchers would like to remind you of a few important rules:

- **Parents, for liability reasons, you must stay off the playing field.** Parents are asked to stay within 20 feet of the blacktop and/or track.
- **No Smoking** is allowed on School Grounds and WITHIN 20 feet of the school.
- **No Dogs** or puppies are allowed on school grounds.
- **Do not climb the fences.**
- **Please pick up your trash.** We are visiting Chico Jr, as they allow us to use their field at no cost. Please leave it clean.
- Please pick up your children and depart the practice field promptly at the end of practice.
- **At Games:** No Ice Chests or Outside Food Allowed

Thank you for helping us keep your children safe! We appreciate the great parents and kids that we have in the Scorchers Organization. If you have any questions about the above rules, please contact any Board Member.

Parents may sit in the shaded area, which is 20 feet from the blacktop/track. Stay on the outside of the goal posts. Please do not interfere with practice at any time, meetings with kids or coaches should be before practice and after practice. Thank you.
